Chawla Orthodontics Retainer Assurance Program

DID YOU KNOW?

If you don't wear your retainer, your teeth will continue to shift throughout your life. Wearing your retainer is an essential part of ensuring that you enjoy a long lasting, beautiful smile. Because we are so committed to giving our patients amazing smiles that last a lifetime, we offer a Retainer Assurance Program. This program helps to keep you from ever needing to replace retainers at full price or re-enter treatment to correct teeth that have shifted.

For 7 monthly installments built into your contract or one lump sum of \$725 anytime throughout treatment, you can enroll in our Retainer Assurance Program, which provides you with one set of complimentary clear retainers at debond & allows you to replace your retainers at any time (up to 4 sets per year) throughout 7 years following treatment completion for a small co-payment of \$20 per arch for clear retainers (**\$175 value**).

The fees are neither refundable nor transferable. Typical turnaround time for delivery of retainers is 1 to 2 business days; however, this may vary depending on lab or patient availability.

Patients will not receive more than four sets in a calendar year.

**Models required for replacement retainers. \$50 fee for new scan.*
